

Smart Cut™ Tapping & Metalworking Fluid

- Maximum accuracy in machined parts.
- Increases productivity.
- Extends life of the tap.
- Excellent friction-reducing properties.
- Can be used for many machining applications including drilling and sawing.

Why 'Smart Cut™' tapping and cutting fluid from North American Tool?

- Environmentally SMART...ozone friendly.
- Contains no carbon tetrachloride or 1,1,1-Trichloroethane.
- Designed to extend tool life.
- Penetrates to the tool's cutting edge and stays on the tool.
- Eliminates the hassles of costly hazardous waste disposal.
- Smart Cut is thick, won't evaporate and stays on the tool throughout the cutting operation.
- Does not contain any animal-derived components or components synthesized from animal-derived materials.

SMART CUT TAPPING FLUID PART NUMBER - SIZE	
FL110	16 oz.
FL115	16 oz. (12/case)
FL120	1 gallon
FL125	1 gallon (4/case)
FL130	5 gallon
FL135	55 gallon drum
